Result of examination:

Specimen Q1 was searched in the appropriate
sections of the Anonymous Letter File without effecting
an identification. Appropriate copies have been added
to this file for future reference.

Specimen Q1 bears the watermark "FOUR STAR BOND
SOUTHWORTH CO. U.S.A. 25% COTTON FIBER." This watermark
is registered for the Southworth Company, West Springfield,
Massachusetts 01089. Q1 was also examined for indented
writing and other physical characteristics by which the
source of this specimen could be determined with negative
results.

The typewriting on Q1 most closely corresponds
to standards for IBM Courier style of type spaced ten
letters to the inch. This type style is used on both
standard and electric machines as well as IBM Selectric
models.

Q1 has been photographed and is being returned
to Washington Field Office separately.
